

"Then we're going to Boston," Callia said.

<http://valentines.easy.purplesphere.in>

"No." I told him, then grinned. "And I did promise to show you the tub."

His partner with the other AK-47 was not so auspicious. He had turned to see why his compatriot was moving faster only to cotton on to the game too late. The board that missed the first bloke careened towards him. He
